G.P. Brasile 1976  
driver J. Laffite

La Ligier JS.5, la « formula 1 » française  
con motore Matra, pilotata da Laffite,  
che ha un po' deluso le aspettative.  
A Interlagos, è stata tradita dal cambio dopo  
appena 14 giri, mostrando di aver ancora  
bisogno di un certo rodaggio.
